## Spring into 4-H

### The Jodies' Buzz:

Over the next year 4-H Advisory Council will be focusing on helping military families in the Bay County area. If you know of a local family that is in need, contact us with specific information about those needs. Information will be included in upcoming newsletters about how you can help support this project. This is a great opportunity for youth to gain community service hours.

We would also like to congratulate the following award winners:

### Friend of 4-H Award

The Friend of 4-H award is chosen by the Bay County 4-H Advisory Council and selected from nominations given by parents, volunteers, youth, and staff. The award is traditionally given to an individual, organization, or business who has shown generous support to the Bay County 4-H Program. Bay County 4-H is proud to name two organizations as the Friend of 4-H award winners. The Bay County Buildings and Grounds Department and Bay County Farm Bureau.

The Bay County Buildings and Grounds Department consists of several individuals who work extremely hard to make 4-H events successful. Their dedication, diligence, attention to detail, and persistence are greatly appreciated.

Bay County Farm Bureau has collaborated with 4-H on several programs that are transformational for 4-H, and our community. They have been instrumental in continuing our efforts to promote the education of agriculture and projects that create well-rounded, successful youth.

Bay County 4-H would like to thank the Bay County Buildings and Grounds Department and Bay County Farm Bureau for their hard work and dedication to the 4-H youth of Bay County.

### Leader of the Year

Sherilyn Jones of Crump Castaways 4-H club was named leader of the year, and honored at the 4-H Leader Banquet on March 3. Her dedication and passion for 4-H is why she was chosen as leader of the year. This award is chosen through nominations from parents, leaders, and youth. Those who nominated her said:

- She knows how to do everything when someone asks. She also lets all of the kids come in like they are her own kids. She is nice; and if something happens, she is always there.
- She has encouraged me on doing things that I thought would be fun, but it turned out to be VERY fun, and I'd like to do it again.
- She is there for anyone who needs her help or advice. She puts herself last and always tries to make any opportunity open to every kid. She is caring and devotes a lot of time and assets to the kids, group, and county.

- She is always willing to help with anything, not only 4-H or animal issues, but family and personal issues. She would give you the shirt off her back. She is a hard worker and teaches those values to her group. She often goes without to benefit other people and animals. She has a huge heart and truly loves being a 4-H leader.
- Not only does she give her time, but also her heart to the kids. To me, this is what makes a great 4-H leader and leader of the year.

Clearly, Sherilyn understands, promotes, and lives by the values and meaning of 4-H. She has made a family in Bay County 4-H and we all are excited to have her represent 4-H as the 2007 Leader of the Year. Congratulations to Sherilyn.

#### **I DARE You Award**

The I DARE You award is a special leadership award for youth ages 15-19. Youth are selected by nomination. Youth who receive this award demonstrate a commitment to discovering and developing their personal best, living a balanced life, and making a positive difference in their community. At the 2008 Bay County 4-H Youth Awards Banquet, Kristy Brandt was presented with the I DARE You leadership award. She participates in the Bay County Shooting Stars 4-H club and is a member of the Bay County 4-H Advisory Council. Kristy holds the character traits and capacity for leadership.

Kristy will receive a \$300 scholarship to attend the American Youth Foundation Leadership Conference where she will have the opportunity to live, learn, and play with friends from across the country. At this conference, youth will strengthen their leadership skills, develop teamwork, and make lasting friendships.

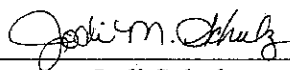

#### **All Around Achievement Award**

The All Around Achievement award is presented to youth who have demonstrated achievement in several project areas. They have shown leadership to younger 4-H members and explored their personal best through the projects they participate in. Delicia Newman, past 4-H member and leader, presented two Bay County 4-H youth with the award.

Dana Dubay, participates in the Trail Blazers 4-H club and is actively involved in the Bay County 4-H Horse Advisory Council and Livestock Association. She is currently showing her leadership skills as chair person for the Bay County Rabbit and Cavy Show which will be held March 29, 2008, at the Bay County Community Center. Dana attends John Glenn High School.

Ryann Kruse is a member of County Cousins Critters and Kids 4-H club. She is actively involved in the Bay County 4-H Advisory Council and Livestock Association. Currently, Ryann serves as president of the Livestock Association and works to bring speakers to the group to discuss important livestock issues related to the health and care of animals. Ryann attends Western High School.

Included in this newsletter is a complete list of winners at both the Youth Awards banquet and the 4-H Leader banquet. Congratulations to everyone for your hard work and dedication. We look forward to working with you on a great 2008!
